Out for a Sunday Drive

Rochester's Gateway Auto Club Offers More Than Just Fancy Cars

On any given Sunday afternoon from May through October, the parking lot at Rochester's Plumb Corner Mall is packed to the brim with vintage relics of a bygone era. Gleaming chrome, sparkling windows, and immaculate paint finishes form a virtual barricade of automobiles as the Gateway Auto and Truck Club holds their weekly Car Show Outing at the site.

Even on casual inspection, it's readily apparent that each car owner pours a great deal of pride and affection into their vehicle.

For most of the club's 67 current members, it's with the same amount of pride and respect that they join together each week to participate in what has become more of a family-oriented event than a showcase for so-called "street dragsters."

"We're here to have fun," said club president Wayne Pittsley. "We're a non-profit, family-oriented organization. We do a lot for the kids and most of our members are made up of families — or at least couples."

Originally formed in Wareham — where meetings and shows were once held at the Boys and Girls Club — Mr. Pittsley said he and coordinator Colin MacPhail were approached by Aristides Papadakis of Towne Pizza about the possibility of holding their weekly shows in Rochester. The mall was an ideal location in the center of town and the club president at the time agreed to give it a try.

Since that initial test run in January of 1992, the Gateway Auto Club has made Rochester its permanent home. Every Sunday afternoon beginning at 4:00 pm, the club transforms the lot outside of Towne Pizza into a mobile museum of classic cars, complete with oldies music provided by the disc jockey service of "Memories by John" and a variety of contests and games.

"At first people were coming down on Sunday afternoon, and they didn't even know what was going on," Mr. Pittsley said. "But many of the families liked the setting and the music and kept coming back."

The weekly carnival-like atmosphere has also filled a gap in the once-quiet Sunday afternoons in Rochester. Establishments located in the center of town — specifically Towne Pizza and the Plumb Corner Variety — have increased business and residents now have a source for entertainment and a chance to socialize with people from throughout southeastern Massachusetts.

"We get a lot of people from town who come down here every Sunday to join in the fun," said Mr. Pittsley. "You don't have to own an expensive car or even know anything about them to enjoy the shows or join our club."

"The club is for people who have an admiration for older vehicles," agreed Aristides Papadakis, the son of the owner of Towne Pizza and the person who initiated holding the car shows at the plaza. "I knew there were a lot of people in town who were interested in classic cars and thought Rochester would be a good place to hold the show."

Apparently others also thought the same.

Even from the get-go there were close to 150 cars at the club's first show in Rochester last year; and on a good weekend, the lot is filled with something closer to 200 vehicles. With all the families of members and those from the area who just enjoy attending the weekly event, the auto show draws between 250 and 350 people to the Plumb Corner Mall every weekend.

As the only car club registered as a non-profit organization in the area, the Gateway Auto Club does a lot in terms of fundraising and benefits for charity. All the money raised at the weekly shows from the sale of merchandise, or from special dances and events run by the club is either put directly back into the operation to fund future events or is given to a number of charitable organizations in the area.

"We do everything for the fun of it," said Mr. Pittsley. "We aren't here for the money. Most of the things are donated and we do a lot for charity."

Last year the club held six benefits for several charities including the Lions Club, the Jimmy Fund, and Quarters for Christmas. At the club's Christmas party last year, baked goods were also auctioned off and the money raised was donated to charity. "They're very much a benefit club," said Mr. Papadakis. "They do more for charity than anything

else."

Of the total membership, nearly 90 percent are families and almost 40 percent are from the immediate area. Mr. Pittsley is proud of the fact that the club not only benefits from holding the weekly cruises in Rochester, but also gets to return the favor by bringing business into town with their off-season meetings at Towne Pizza.

With the closest club being the Night Cruisers out of North Dartmouth, Mr. Pittsley said his group attracts many area members from Seekonk to Cape Cod, with a few from as far as Quincy, MA.

By 2:00 pm on Sunday afternoon each week, the lot begins its slow and steady transformation into a carnival-like setting. Reminiscent of a day-long circus operation, cars cruise into the Plumb Corner Mall lot and take their place within the lined spaces for another evening of food, family and fun. With the music starting at 4:00 pm, any number of contests and activities can ensue — including line dance lessons, or maybe a twisting or hula-hoop contest.

"We try to keep things fun. It's really nice out here on a summer night," said Mr. Pittsley. "It's out in the country and people don't have to travel far, so we draw a good number of car enthusiasts.

"But we welcome anyone to come to our weekend show, and everyone is more than welcome to join, whether they have a car or not."

The club runs their weekly "cruises" every Sunday from 4:00 to 9:00 pm at the Plumb Corner Mall from the end of May until Columbus Day weekend in October. The club meets the first Tuesday of every month during the off-season at 7:00 pm at Towne Pizza.

Mattapoisett Selectmen's Meeting

August 3, 1993

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday evening, August 3 at 7:00 pm by Chairman John N. DeCosta Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Secretary Melody A. Mills.

After approving the minutes of the July 27 meeting and the July 27 Executive Session, the board signed all the payrolls, bills, licenses, permits, and outgoing correspondence for the week. The board approved a request from ComGas for permission to obstruct and disturb the surface of 11, 12 and 13 Snowfield Road for the purpose of installing a gas main extension and a new gas service at the site. They also granted a permit to the New England Telephone Company to excavate a section of Mattapoisett Neck Road at the end of Harbor Road to install a local switching station at the location.

Chairman DeCosta then noted that Rep. William Straus will hold a constituency meeting in the Council on Aging office in Town Hall at 7:00 pm on Tuesday, August 10.

Under outgoing correspondence for the week, the board sent a letter to several local legislators urging their continued funding of the Buzzards Bay Project in response to a request from Dennis Luttrell last week. The board also sent letters accepting solicited bids for tree care, tree trimming and removal and letters relative to last week's appointment to the Mattapoisett School Committee.

Chairman DeCosta then began reviewing incoming correspondence for the week, beginning with a letter of resignation from Constance J. Keavy, who is leaving her position with the Mattapoisett Historical Commission, effective immediately. Ms. Keavy said she regrets leaving the commission, but she must for personal reasons. Having served the Historical Commission for the last six years, Chairman DeCosta noted that Ms. Keavy has done a "terrific job and she will be greatly missed." The board agreed to send her a letter of thanks for her efforts and will consult the Commission on finding a replacement.

Sen. Marc R. Pacheco next sent letters relative to obtaining funding for the town's final payment toward the Fairhaven Sewage Treatment Plant and the pending North Street renovation project.

Sen. Pacheco noted in his first letter that "the Massachusetts Department of Environmental Protection (DEP) cannot make further payments until additional justification for the final claims is provided by the contracting firm." Sen. Pacheco

explained that the reason the money is being held is that there is still some $90,000 in disputed claims. He was able to persuade the state to release the bulk of the payment — some $1 million — to both Fairhaven and Mattapoisett (which owns 10 percent of the plant). Sen. Pacheco said he will keep working on releasing the remaining $90,000.

Sen. Pacheco's second letter was to confirm receipt of correspondence from Alan Ewing of Thompson Surveying and Engineering, Inc. regarding the proposed North Street renovation project and cost estimates. Sen. Pacheco said he would keep this information on file for future reference.

Patricia M. Fernandes of Concerned Parents of Fairhaven next sent notice to the board that a "Hands Across the River" Rally will be held on Sunday, August 29 at 2:00 pm at the foot of Sawyer Street in New Bedford — where the proposed PCB incinerator would be located. Ms. Fernandes invited the members of the board to participate in this rally and would like for them to respond by August 9.

The Joint Transportation Planning Group (JTPG) next sent notification that their next meeting will be held on August 11 at 2:00 pm in the SRPEDD office in Taunton.

sent from Public Prosecutor Harry J. Schmitt, Jr. advising the town that he will be holding his annual meeting on Wednesday, October 6 at Bay Pointe in Onset. Chairman DeCosta noted that this is a regular meeting to which Mr. Schmitt invites his client towns of Mattapoisett, Marion, Rochester, Carver and Wareham.

The board next received a bulletin from the Massachusetts Department of Revenue regarding the Sewer Rate Relief Fund for fiscal year 1994. Distribution to cities and towns from this fund will be based on debt service for debt issued after January 1, 1992 and the appropriation for fiscal year '94 is $30 million. The board recommended that Water/Sewer Superintendent William Nicholson and the Water Department look into obtaining some of this funding in the next fiscal year.

The Alcoholic Beverage Control Commission next sent the board information on the new "Tag-A-Keg" regulation and program established throughout the state. Having gone into effect on July 2, the "Tag-A-Keg" regulation requires that labels be attached to the keg identifying the name and address of the package store it was purchased and information about the purchaser is to be recorded and kept on file by each seller. The regulation is designed to keep under-aged drinkers from purchasing kegs and the local governing boards have been asked to help monitor their liquor establishments in adhering to this rule.

Carol Ditata of Continental Cablevision next sent a letter to the board advising them of a must-carry election and the broadcasting of local affiliates on their cable system. If retransmission consent is not granted by the broadcaster, Continental

Under Selectmen's Discussion items, Chairman DeCosta advised his board members that Highway Surveyor Wesley Bowman had submitted a list of some 21 roads in town which would need repair work in the near future. An estimated $821,000 would be required to fix all the roads listed, and Chairman DeCosta said he would like the board to meet with the Highway Department and Finance Committee to work out a long-term repair plan for these roads and perhaps prioritize them according to need.

At 7:30 pm, a Liquor Hearing was held on behalf of Turk's Seafood on Route 6 to transfer a liquor license to Judith Pasquill from Richard Pasquill, Sr., who passed away last year. There being no opponents to the license, the board granted the transfer of license to serve beer and wine to Judith

There being no further matters to come before the board, they unanimously voted to adjourn for the evening.

Marion Selectmen's Meeting

August 3, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday evening, August 3 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, and Secretary Helene Craver.

After approving the minutes of the July 27 meeting and signing treasury warrants #5 and #6, the board unanimously moved to appoint Wayne C. Butterfield as Herring Inspector for a term through May 31, 1994.

Chairman Dougall then discussed sending a response to the Rochester Board of Selectmen concerning their recent inquiry as to if the residents of town would be willing to pay for the staffing of an additional lifeguard at Silvershell Beach during the summer season. Mr. Dougall noted that the Recreation Committee had informed him in a letter that hiring of an additional guard would cost $7 an hour at 40 hours a week, for a total of $280 a week.

Selectman Schaefer was vehemently opposed to discussing this matter further, however, as she thought the initial discussion was only to see if Rochester would be willing to contribute as benefactors in the beach. "I really think we need to have a meeting of the Finance Committee (FinCom) before we go any further," she said. "I'm really upset with the way happened, I'll be honest with you. Let's have some discussion on this first."

Jonathan Dickerson of the Recreation Committee, who was also present at the meeting, agreed that he was only asked to present some figures as a rough estimate of what it would cost to hire an additional lifeguard at the beach. He agreed that with increased beach use, the town would have to do something within the next two years to avoid overcrowding.

Chairman Dougall agreed to withdraw the letter from the Recreation Committee pending further research and discussion into this proposal for fiscal year 1995.

At 7:10 pm, the board met with Police Chief Brian J. Scott to discuss their concern over roller bladers in town. In a memo to the chief from Executive Secretary Ray E. Pickles dated July 21, Mr. Pickles asked Chief Scott to come before the board to offer his opinion and suggestions on how to deal

with increased roller blade usage on public streets.

"I don't think as the chief safety officer of the town that I can condone (roller blade) use on a public way," Chief Scott said. "I think they are inherently dangerous. It's almost impossible for (a roller blader) to get over far enough to the right on most town roads to allow two cars to pass."

Chief Scott admitted he had a similar problem with skateboarders in town a couple of years ago, and he finds roller blades just as dangerous — if not more so — than skateboards.

"I think this is a safety concern that we're going to have to address," he said. "You tell your kids not to play in the street and then you go and play in the street yourself. As far as I'm concerned, anyone on roller blades is playing in the street."

Selectman Schaefer agreed that the safety concerns are prominent, but she thought there would be a problem in limiting their use. "I agree they are a safety hazard, I'm not sure we can ban just

The History of Scrimshaw

In the latter part of the eighteenth century whaling ships and their hardy crews roamed the seas from the Arctic to Cape Horn and from the South Seas to the Orient. During these long three to four year voyages, the whalers inscribed the experiences in ivory. Contrary to popular beliefs, the subject matter of these engravings was not limited to nautical design, although sailing ships, whale combat, and patriotic symbols were common.

Recent years have seen a revival of the art of scrimshaw. With the gradual decline in the population of the sperm whale, scrimshaw has become history and a true collector's item. The art of scrimshaw is being kept alive today by a few skilled artists on the New England Coast. Each piece is an individual and authentic work of art done entirely by hand.

We have an excellent selection of scrimshaw knives from $32 to $288.

roller blades in town," she said. "I've seen kids on bikes and others on skateboards who are just as much at risk."

The chief agreed things would be easier if there were a designated place for people to roller blade — not unlike a town-maintained bike path — but in the meantime, people using public ways is a concern to him.

Selectman Winters agreed this was something that warranted further discussion in an open forum and said he would like to table the matter until the board is able to get some further input from the public.

At 7:20 pm, Harbormaster George Jennings and members of the Marion Police Association came before the board to update them on the kickoff of a Flood Relief Drive in town to assist fellow residents in the town's southern counterpart — Marion county, Missouri. Mr. Jennings noted that he had been in contact with people in Hannibal, MO and stressed that they really need some help in coping with some 29 and a half feet of water which has flooded their community since July 2. The Marion Police Association is working to send provisions and supplies to the people there and is asking for widespread community support.

Beginning August 6 through August 28, donations can be brought to the Masonic Lodge on Spring Street (former Marble Hardware Store) from 10:00 am to 7:00 pm. Some of the much-needed items include: paper, pencils, erasers, rulers, notebooks, shovels, rakes, brooms, mops, buckets, sponges,

Mr. Jennings noted that cash donations will also be accepted and greatly appreciated. All monies collected will be used to purchase items to be sent to Missouri. No money will be sent to the relief zone to ensure that the funds are going directly to supplies. Donations made payable to "Marion County, MO Flood Relief" can be sent c/o Plymouth Savings Bank, P.O. Box 517, Marion, MA 02738.

The goal of the drive is to raise $25,000 in provisions for Marion county, which is located on the Mississippi River, some 119 miles north of St. Louis and includes the towns of Withers Mill, Hunnewell, Warren, Philadelphia, Palmyra, Emerson, Nelsonville, Taylor, and West Quincy.

"I believe we've gotten off to a great start," Mr. Jennings said. "We've gotten a great response from people in town and everyone seems excited about the project."

If for some reason donors are unable to drop off their contributions, they can also call and have them picked up. For further information on the Flood Relief Drive, people are urged to call the Marion Police Department at 748-3590 or Harbormaster George Jennings at 748-3535.

The board thanked everyone for their efforts in this worthwhile cause and agreed everyone should contribute whatever they can.

John L. Collins, Esq., next came before the board with other residents/property owners of the

Tremont Advent Christian Campground Association located on Oakdale Avenue. Mr. Collins referred to a letter he sent to the board concerning a proposed sewer project on the street and his concerns over 18 fellow campground property owners who had serious reservations about the project. A total of 33 new sewer tie-ins have been proposed for the religious retreat, but of the 16 signatures on the original petition for the project, none were from the campground.

As an Evangelical retreat camp, the cottage owners there contend that they get limited use of their facilities — some only two weekends every

year — and do not feel justified in paying the full betterment amount for the sewer tie-ins.

"I'm looking at this as an environmental problem," Selectman Schaefer explained. "We can't simply throw our hands up and let the project die because some people oppose it."

Board of Health member Al Johnson, however, pointed out that by deciding to pass on the sewer tie-in could lead to other, more expensive problems down the road. "Right now you could be burdening your neighbors by stopping the project from going on," Mr. Johnson said. "But you could also be burdening yourself by chancing a septic system failure. If your existing septic system failed, you'd be looking at around $12,000 to $15,000 in repairs."

Selectman Schaefer agreed to postpone further discussion on this matter for two weeks until the members of the campground association had a chance to pull together more information. An appointment was made for them to next meet with the board on August 17 at 7:45 pm.

In his weekly report, DPW Superintendent Robert C. Zora noted that with the new Perry Hill site online, he would recommend lifting the restricted water use ban from town. The board unanimously approved Mr. Zora's recommendation,

effective immediately (August 3, 1993). Residents are still advised to conserve water during peak hours (early morning and evenings) but no longer have to follow alternate days for extraneous usage.

In a memo from Executive Secretary Ray E. Pickles, the board was advised to rescind their vote appointing Yvonne Richard as Assistant Town Clerk, as the authority rests solely with the Town Clerk, Debra M. Blanchette. The board agreed, and rescinded their previous vote. In a separate memo, Ms. Blanchette requested that no further discussion take place on this matter during the meeting (August 3) as she will be unable to attend.

The board also received a letter from Kevin G. Burke of Mansfield Avenue expressing his interest in filling a vacancy on the Marine Resources Commission.

There being no further matters to come before the board, they voted to adjourn at 9:05 pm. However, shortly thereafter, Chairman Dougall reconvened the board to make a decision on solicited bids for the new police cruiser. Since only one vendor responded to the call for bids, and the board agreed to re-advertize and seek more vendors in the bidding process. The board then adjourned for the evening.

Rochester Selectmen's Meeting

August 2, 1993

A meeting of the Rochester Board of Selectmen was called to order on Monday, August 2 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the July 26 meeting, Chairwoman Hawkes called upon Harry A. Brown Jr. for a 7:00 pm appointment. Mr. Brown came before the board to request a permit for the Annual Lions Club Carnival to be held from Wednesday, August 11 through Saturday, August 14. The permit would allow the carnival to operate in the field next to the Plumb Corner Mall on Wednesday through Friday during the hours of 6:00 to 10:00 pm and on Saturday from 12:00 noon to 10:00 pm.

Mr. Brown noted that all the forms had been

filled out and the board needed to vote to grant the permit on behalf of the Rochester Lions Club and Larry Cushing Enterprises, Ltd., which would be running the rides. Selectman Hughes moved granting the permit and asked that the fee be waived, which was seconded and made unanimous by the board.

Under incoming correspondence for the week, Chairwoman Hawkes began with a letter from Dennis F. Luttrell, Executive Director of the Buzzards Bay Action Committee (BBAC), asking that the board offer them support due to a recent ruling by an Environmental Protection Agency (EPA) attorney which froze an already-appropriated $200,000 in funding for the BBAC. Mr. Luttrell is asking the various communities served by the BBAC to garner legislative support on their behalf to solve this funding problem.

Selectman Hughes moved that the board send out a form letter provided by Mr. Luttrell to their various legislators supporting the BBAC and the refunding of these frozen monies. The board unanimously supported Selectman Hughes' motion.

The board next received copies of recent Board of Appeals decisions rendered during hearings held on July 22 on behalf of Peter Frey of Hartley Road and Christine LaPointe and Max

Hastings and Tapley Insurance Services next submitted a list of replacement costs and the prices for additional premiums, respectively, on several town-owned vehicles, including:

• 1989 Ford Tractor — Replacement Cost: $35,000 / Additional Premium: $140.
• 1986 John Deere Tractor — $95,000 / $380.
• 1988 Ford Tractor — $50,000 / $200.
• 1976 Pumping Engine — $160,000 / $640.
• 1981 Brush Breaker — $140,000 / $560.

Total cost of additional insurance premiums for the town would be $1,920.

Selectman Hughes asked that the board seek the opinions of the various department heads on the replacement costs and/or additional premiums for each of these vehicles before making a final decision. The board unanimously approved Mr. Hughes' motion.

The Massachusetts Interlocal Insurance Agency (MIIA) next sent notification to the board that an audit of the town's payroll for fiscal year 1993 would be conducted in mid-August by Equifax. These audits are required at the end of each certificate year to determine each member community's final premium for workers' compensation.

The board next received a copy of the monthly Cable Bulletin from the Massachusetts Cable Television Commission for their perusal.

Chairwoman Hawkes noted some informational memorandums sent from Town Counsels Kopelman and Paige, P.C., regarding standard procedures involving access to public records and the town's provisions for copies of these records, and the local regulation of cigarette vending machines.

The remaining items under incoming correspondence for the week were information from Carol Ditata, General Manager of Continental Cablevision, regarding commercial broadcasting and a comment draft proposal sent from the Coalition for Buzzards Bay of the organization's Environmental Report Card given to each community annually.

Chairwoman Hawkes then noted the following upcoming meetings and hearings:

• A series of Public Hearings to be held by the Executive Office of Communities and Development (EOCD) regarding fiscal 1994 Comprehensive Housing Affordability.
• Wednesday, August 11 at 2:00 pm in Taunton, MA — Meeting of the Joint Transportation Planning Group (JTPG).

Chairwoman Hawkes next noted a letter received in today's mail from Dale Barrows, Agent for the Mattapoisett Board of Health, announcing a Paint and Tire Recycling Day to be held at the Mattapoisett Landfill on Saturday, August 28 from 9:00 am to 1:00 pm. Mr. Barrows asked that the board inform Rochester residents as they are also allowed to use the landfill. There will be a $5 charge per vehicle and each vehicle will be limited to ten cans of paint. The charge for over ten cans is $10. Tires, on or off the rim and up to 19 inches, will be

charged 50 cents each. Any tires larger than 19 inches will be charged $3 each.

For further information about this recycling effort residents are advised to contact Mr. Barrows at 758-4112.

Under Old Business, Selectman Hughes asked that Police Chief Walter V. Denham contact Fire Chief Joseph Clapp to disconnect the extra fuel tanks at the police station so they'll only be using one tank as discussed last week. Mr. Hughes again asked if the town's pumper/tanker could assist in watering down the Mattapoisett Landfill upon a request from the Mattapoisett Board of Health. Chairwoman Hawkes said until she received a formal request in writing, she would ask for the board's indulgence in this matter.

Selectman Hughes also said he found someone to make a town flag for them. His sister, Kathleen Hickey, has offered to make the flag and it will feature the town seal on a colored background. Mr. Hughes asked what the board thought would be appropriate. He preferred a white background, but both Selectman Murphy and Chairwoman Hawkes seemed to prefer a light blue or green background. Selectman Hughes said his sister would begin working on the flag and he would bring it in when finished.

Selectman Hughes finally wanted to make sure a folder had been started for the next Special Town Meeting so that pending articles could be submitted. Chairwoman Hawkes and Ms. Ferreira confirmed that a file had already been prepared for this purpose.

Under New Business, Selectman Hughes asked if the board would be meeting in Executive Session this evening to discuss the results of Collective Bargaining negotiations between the town and the Police Brotherhood. Chairwoman Hawkes said they would do so upon completion of that

Pat Dubois has recently joined the Real Estate office of Coldwell Banker, Hayes Associates on Front Street in Marion. Pat is very familiar with the area as she and her husband have owned property here for 30 years.

Pat has qualified for the designations of GRI and CREA and is now a candidate for CRS (Certified Real Estate Specialist). She also has a Broker's License and is a Notary. Pat, a former National Sales Manager, has a degree in Education and has a keen interest in Real Estate Education. She has served on the Education Committee and Banking Committee of the Greater New Bedford Board of Realtors. Pat also serves on the Education Committee and the Member Services Committee of the Massachusetts Association of Realtors.

She has conducted a very successful Real Estate Licensing School for the Marion, Mattapoisett, Rochester and Wareham area. Pat was recently appointed a Dean for the Massachusetts Graduate Realtors Institute and has completed the course for ITI, a Real Estate School for trainers.

When she is not sailing in her little green Herreshoff, Pat's friends and customers may find her at the Coldwell Banker, Hayes Associates office by calling 748-0344 or at her home, 748-0579.

night's agenda.

The board next met with Town Treasurer Doris Boucher and Town Clerk Naida L. Parker to sign and approve Revenue Anticipation Bonds in the amount of $900,000 for a period of 10 months.

"We have been advised that (Doris Boucher) should borrow the full $900,000 for the ten months," Chairwoman Hawkes said. "It gives us a better interest rate now and rates are going to increase by the end of August."

The board signed and approved the bond notes — one note for $200,000 with the Quincy Savings Bank and seven notes for $100,000 each from the State Street Bank.

There being no further matters to come before the board, Chairwoman Hawkes announced that they would be going into Executive Session to discuss Collective Bargaining with the town's Police Brotherhood. The board would come out of Executive Session only to adjourn for the evening.

Are you looking to get rid of all those cans of paint which are accumulating in your basement or garage? The Mattapoisett Board of Health will sponsor a Paint and Tire Recycling Day to collect leftover paints, stains and tires on Saturday, August 28 at the Mattapoisett Landfill from 9:00 am to 1:00 pm.

Paint collections greatly reduce the problem of household hazardous waste and the costs associated with it. H20 Coatings, Inc./The Green Paint Company of Manchaugh, MA will accept various types of paints for recycling. These include latex or oil-based interior/exterior house, trim, deck and floor paints and stains, polyurethane, varnish, shellac, turpentine, mineral spirits and thinners.

The company does not accept unlabeled paints, lead-containing paints, epoxies, automotive paints, aerosol containers, lacquers, moisture-cure urethanes, marine or swimming pool paints or penta.

Residents may bring their leftover paints, in original containers only. A user fee of $5 per vehicle will be charged, with a limit of 10 cans per vehicle.

Carnival Returns to Rochester

President Patrick Glidden of the Rochester Lions Club has announced that the group will be presenting the Third Annual Carnival for Kids from August 11 through August 14 at the Plumb Corner Mall.

The carnival will be open on Wednesday through Friday evening from 6:00 to 10:00 pm and on Saturday (August 14) from 12:00 noon to 10:00 pm.

The carnival is geared for children up to approximately 12 years of age. The cost of the rides is well within reach of the average family. All rides are inspected by the Rochester Building Inspector, food handlers are check by the town's Board of Health. It is a true and fun-filled family carnival.

Parents and grandparents take the opportunity to bring your children and grandchildren to the event. Everyone will enjoy it.

Proceeds from the carnival and booth rentals provide funds for the Rochester Lions Club to help our local needy and provide some of the amenities needed by the town. Past accomplishments from

Rochester's E-911 System Not Yet in Effect

Rochester Fire Chief Joseph Clapp would like to remind Rochester residents that the new Enhanced 911 emergency telephone system is not yet in operation in town. Plans are proceeding to put the system into full swing within the year, but for now residents should dial 763-5111 for Police emergencies and 763-2424 for Fire and Ambulance emergencies.

Chief Clapp is concerned that some residents have been calling "911" and reaching East Freetown, who then has to relay the information to Rochester, causing a delay in response time.

Sippican Historical Museum

The Sippican Historical Museum (opposite the General Store in Marion) is open again on Wednesday, Friday, Saturday and Sunday from 10:00 am to 5:00 pm. Our Cecil Clark Davis portraits have been rehung. Please come and visit the museum.

Admission to the fair is FREE and is sponsored by the Massachusetts Department of Agricultural Co-Operating. For further information, please call 763-5521.

Mattapoisett Historical Museum

Salt Works Demonstration

On Saturday, August 7 at 2:00 pm, Seth Mendell will be at the Mattapoisett Museum and Carriage House to talk with visitors about the old salt works which used to dominate the shores of Buzzards Bay. Using the model which is in the Carriage House, Mr. Mendell will explain how it all worked. The process of obtaining salt from sea water is a fascinating one — and another example of Yankee ingenuity — so be sure to come by and see this special presentation.

Rug Hooking Demonstration

A reminder that on Saturday, August 14, Gene

Waterhouse will be at the museum from 2:00 to 3:30 pm to demonstrate and talk to visitors about the art of rug hooking. You may remember that Gene had some of her lovely work in our exhibit of local crafts people last summer. If this is of interest to you, plan to stop by for a visit on Saturday afternoon, August 14.

Annual Chicken Barbecue in Rochester

The First Congregational Church of Rochester will hold their Annual Chicken Barbecue on Sunday, August 8 from 12:00 noon to 2:00 pm on the church green (Route 105) in Rochester. Ms. Yvette Beaumont is chairwoman of the event and Ms. Shirley Hartley is ticket chairwoman.

This is one of two big fund raisers for the church held each year — the other being the Flea Market slated for the fall. Last year some 300 people turned out for the event and Ms. Beaumont said she expects even more this year.

Advanced tickets are still available and recommended. For reservations, please call 763-2190. Tickets are $6.50 (adults), $3.50 (children under 12). There will also be a limited number of tickets available at the door. The menu will include chicken, potato salad, native corn, cranberry sauce, and watermelon.

New Church in Marion

Dr. Wilsey J. McKnight of the Dallas area of Texas has been asked by the Heritage Advent Christian Conference to plant a new church in Marion. The name chosen for the new church is "Marion Bible Fellowship." The church will be a member of the National Association of Evangelicals

The Rev. Mr. McKnight received his doctoral degree from Gordon-Conwell Theological Seminary, South Hamilton, MA, and holds a bachelor's degree in Bible Literature and a master's degree in Psychology. He has held pastorates in Washington state, California, Kansas, Illinois, and in West Wareham, MA.

The new church will hold its first service next Sunday, August 8, at 11:00 am at the Advent Christian campground along Oakdale Avenue. The campground may be reached from Highway 6 and Heritage Road. Fellowship refreshments will be served prior to the service. Everyone is invited.

Mattapoisett Lions Club

Board of Directors Meeting

The next meeting will be held on Monday, August 9 at 7:00 pm at 110 Brandt Island Road. Note that this is the "9th" of August and not the second of the month.

Couples Cookout

Plans are being finalized for the couples cookout for sometime toward the end of August or the beginning of September. More details are to come in the weeks ahead.

St. Gabriel's Church — Marion

1994 Every Member Canvass

Building on the success of last year when a large number of parishioners became directly involved in soliciting pledges, the Vestry and Stewardship Committee this year has decided to expand the pyramid to 125 volunteers. Chairman David Arms explained that this will mean direct solicitation only to "Count On Me, Plus One," wherein you ask yourself and one other person.

An even greater change will be in the timing of the campaign. For two reasons — in order to get away from the big holidays and in order to involve summer season parishioners, the kick-off Sunday for the core team will be August 22. Mailings will be going out to start the ball rolling even before that and another official campaign notice in early September. Every Member Canvass Sunday is planned for September 19 with final follow-up telethons before the end of the month.

A great deal of work has been put into making the campaign easier on volunteers, better timed, more far-reaching and, ultimately, the most efficient way to return to God through the Church the earthly means to continue His works. St. Gabriel's Church hopes all connected to the Parish will help in any way they can.

Worship Services

During the summer, St. Gabriel's Episcopal Church in Marion will hold both the 8:00 am and 10:00 am Sunday services in the chapel. A

celebration of Holy Communion will be added to the church program on Wednesdays at 12:00 noon. This service will stress prayers for the ill and the laying on of hands from the healing service found in the Prayer Book. It is also an opportunity to worship for those with summer weekend commitments.

On Sunday, August 8 and August 15, Holy Communion will be celebrated at both the 8:00 and 10:00 am services.

Marion Police Officers to Assist Flood Victims

The Marion Police Officers' Association announced drop-off dates and locations for assistance to the victims of the mid-west flooding. The organization is urging area residents to bring non-perishable items such as toothpaste and brushes, diapers, bath tissue, paper towels, handi-wipes, cleaning supplies, mops and brooms, Sterno, matches, batteries, flashlights, foodstuffs, bottled water, baby food, pet food, soaps and detergents to the Masonic Lodge (former Marble Hardware Store) on Spring Street in Marion. Collection of these items will take place from August 6 through August 28 between the hours of 10:00 am and 7:00 pm.

Cash donations can be sent to "Marion County, MO Flood Relief" c/o Plymouth Savings Bank, Box #517, Marion, MA 02738. For more information on this worthwhile effort, please call 748-3590.

paws

• one beautiful charcoal grey short-haired male

• one real sweet calico, mostly white, about 4 months old and has had her shots

• one all-black short-haired male and one short-haired female

• several tigers with both long and short hair, male and female

• some all-black and many grey & whites.

If you are interested in any of these animals, please call either Mary Lou Kobak at 994-6168 (note: new number) or Diane East at 997-4037. Please do not call Priscilla Thomspon this week, as she is temporarily unavailable.

The group would very much like to reopen their cattery, but they need more volunteers to help in caring for the animals. The area foster homes are filled, so if you could open your home or just a room for a couple of weeks for a kitten or two until permanent homes can be found, please call either Mary Lou Kobak (994-6168) or Diane East (997-4037).

Thanks to the generosity and help of the group's many supporters throughout the area, the following adoptees featured here last week have been placed in comfortable homes: Himalayan female, orange tiger male, grey & white male, calico female, and all-white male.

Marion Art Center

Rollow Paintings on Display

A show of paintings by David Rollow will be at the Marion Art Center from now through August 11. The gallery hours are Tuesday - Saturday, 10:00 am to 2:00 pm.

In February, Mr. Rollow showed in the Salon of the Societe Nationale des Beaux Arts in the Grand Palais in Paris, France. Prior to that, he has shown with Polly Michaux Galleries and the French Library in Boston.

Bregoli-Mason Exhibit

A two-person exhibit of portraits will open at the Marion Art Center on Thursday, August 12, with a reception to meet the artists, Jane Bregoli and Fred Mason from 6:00 to 8:00 pm.

Ms. Bregoli is well-known in the area for her hauntingly beautiful portraits of 90-plus-year-old Noelie Houle, the famous "Goat Lady of Dartmouth." A graduate of the Massachusetts College of Art with a BFA in Art Education, Ms. Bregoli recently received a Master of Fine Arts degree from the University of Massachusetts Dartmouth.

Her work has been shown in many area galleries including the Dartmouth Art Gallery, the Attleboro Museum, the Fall River Heritage State Park, and recently exhibited with "Nine Prominent

Members of the Copley Society" in Boston where she was designated "Copley Master," a Distinction for Artistic Excellence. She has won many other prizes including "Best in Show" at the Falmouth Artists' Guild, the Bierstadt Society and First Night in New Bedford, as well as many firsts in area exhibitions.

No matter what his other commitments were, Fred Mason always found time for portrait work for selected clients. By the late 1960's, he realized that this was where his major interest and talents lay, and he decided to commit himself full-time to portraiture. Today his work hangs in many important institutions and collections around the world. He also has a long-time interest in horses and has made a sub-specialty of equine paintings.

Mr. Mason's style, which he calls contemporary realism, is specific and contained, with a palette reminiscent of the Impressionists. He has studied at the School of Visual Arts, the Art Students League, the Brooklyn Museum School and New York University. He maintains a studio in Greenwich, CT.

The Bregoli-Mason Portrait Show will be open to the public through September 15. Gallery hours

A Little Night Music

Reservations are now being accepted for the Marion Art Center's final summer production, "A Little Night Music," by Stephen Sondheim. The show is probably best known for the poignant song "Send in the Clowns." This elegant and theatrical musical was suggested by a film by Ingmar Bergman and was originally produced and directed on Broadway by Harold Prince. The MAC production is directed by Kurt Guba, a student at New England Conservatory, who recently appeared in "The Fantasticks" and sang with the Sippican Choral Society last spring.

The show will be presented on two weekends: Thursday - Saturday, August 19 - 21 and August 26 - 28 at 8:00 pm. There will be a special event on opening night: "A Picnic in the Park" and "A Little Night Music" on Thursday, August 19 at 6:00 pm in the evening in Bicentennial Park. Everyone is invited to this unique dinner theater. The gourmet picnic will be catered by the Mattapoisett Inn. People should bring their own baskets and blankets, and

Marion Antiques Show and Sale

The Sippican Historical Society cordially invites everyone to the Second Annual Marion Antiques Show and Sale to benefit the Society. The event will be held on August 13 - 15 at the Stone Gymnasium of Tabor Academy on Front Street in Marion. There are some 50 selected exhibitors slated to appear offering fine antiques, topiary, a Cecil Clark Davis loan exhibition, silent auction, and plants and garden appointments by Allen Haskell.

A Gala Preview Party will take place on Friday, August 13 from 5:30 to 8:30 pm with cocktails, hors d'oeuvres, and raw bar. Advanced reservations are $20 per person, or $25 at the door. Regular show hours are Saturday, August 14 from 11:00 am to 5:00 pm and Sunday, August 15 from 11:00 am to 5:00 pm. Free appraisals of American paintings from 1800 to 1940 by Robert C. Vose III of Vose Galleries of Boston will be available on Sunday afternoon. A la carte lunches will be served both days from 11:30 am to 2:00 pm.

Blood Pressure Clinics

Blood Pressure Clinics for the month will be held on Wednesday, August 11 from 1:00 to 3:00 pm and on Wednesday, August 18 from 5:30 to 7:30 pm. Both clinics will be held at the American Legion Hall on Depot Street and are open to all Mattapoisett residents.

Gay Head Returns to Mattapoisett Museum

A recent acquisition by the Mattapoisett Museum and Carriage House has found its way back to its roots.

Now hanging on the west wall of the museum is the half model of the Bark *Gay Head.* There were two *Gay Heads* built in Mattapoisett — one in 1852, designed by Arvin Cannon and built by Wilson Barstow and the second was built in 1872 in the Holmes shipyard.

Which half model now hangs in the Mattapoisett museum?

After much research, discussion, review of the voyages of both of the early whalers, it has been determined that this is the model of the *Gay Head II.* How was this determined? The old records in Starbuck's volume *American Whale Fishery* indicates that the *Gay Head I* sailed mainly in the Pacific, but it was lost in 1871 in the Arctic, whereas the *Gay Head II* was built in 1872 and sailed primarily in the Arctic and required a much sharper bow configuration for sailing through ice. Comparing the half model with other half models in the museum indicates a later building date than the *Gay Head I.*

Whichever one it is — it is an authentic half model designed here, and the full-sized ship was built here and has been returned to its home port.

This model is a gift to the museum from the Leonard Kleeb family in memory of the Cannon family of shipbuilders. Francis Rowland, our Town Historian, and one of the founders of the Museum and Historical Society, is a descendent of the Cannon family. We are grateful to Francis and to the Kleeb family for this gift to the museum.

Lloyd Center

Allens Pond Canoe Trip

Join the Lloyd Center on Saturday, August 7 for a canoe trip on Allens Pond. Allens Pond is a salt pond that is a haven for nesting and migratory birds such as herons, egrets, terns, sandpipers, and ospreys. The Center has been conducting research at this pond for numerous years including a weekly bird census. Allens Pond is extremely scenic and provides visitors with some spectacular sights. This canoe trip will begin at 9:00 am and conclude at 4:00 pm.

The fee for this trip is $18 for members, $22 for non-members, and children between the ages of 6 and 14 are half price. There is also an additional charge of $5 per person for canoe rental, but participants are welcome to supply their own. Participants are asked to bring a lunch and drinks for the day.

To register for this canoe trip and receive further information, please call 990-0505.

Papillon Butterfly Atrium

Accompany the Lloyd Center to Papillon Park Butterfly Atrium on August 8. Papillon Park is the first living butterfly complex in the northeastern part of the U.S. Papillon Park features primarily North American species, especially those native to the northeast region. Participants will walk through the atrium and observe up to 300 butterflies and as many as 20 different species. Dr. George Helmer will be leading this trip which runs from 9:00 am to 4:00 pm. There will also be a short stopover at Dr. Helmer's house to view his butterfly collection.

The fee for this trip is $15 for members and $20 for non-members. Please pre-register by contacting

Circus Smirkus Coming to Children's Museum

Circus Smirkus, Vermont's own homegrown Country Circus, has begun appearing in communities throughout New England on its annual summer tour. This is a one-of-a-kind family event, unlike any other circus in the world. It has the usual circus acts under the brightly-colored tent — tumblers, clowns, aerialists, wire walkers — but there are no animals, and the stars are the kids.

the demands of a career, will be held on Saturday, August 7, at the Days Inn on Hathaway Road in New Bedford from 10:00 to 3:00 pm. The series of workshops is being sponsored by St. Luke's Hospital of New Bedford, along with the WIC (Women-Infants-Children) Program, LaLeche League, and the Nursing Mothers' Council. The conference is being held in conjunction with UNICEF's World Breastfeeding Day. After welcoming remarks by Deborah Lannan, lactation consultant at St. Luke's Hospital, Liz Simmons, host of the "Your Health Matters" television show, will speak on "Supporting Women in the Workplace" at 10:15 am. There is no admission charge and registration is not required to attend the event.

International Wine Festival and Auction 1993

Wines from around the world will be the main attraction at the American Cancer Society's "International Wine Festival and Auction '93" to be held on Friday, August 27 at the Wamsutta Club in New Bedford.

The annual event will once again be hosted by Dr. Thomas Zipoli, an oncologist associated with Hawthorne Medical Associates in North Dartmouth and Richard Cardoza of Cardoza's Wine & Spirits in Fairhaven. Dr. Zipoli will offer his expertise as a wine connoisseur on serving the proper wine with food. To help him demonstrate, a sumptuous buffet will be served during the wine tasting.

An added highlight of this year's festival will be a live and silent auction. Suzanne Roche, chairperson of the event, said "We will be auctioning many packages, including getaway weekends, gift certificates from local merchants, and some luxury leisure items, such as a day of beauty."

The event will begin at 5:30 pm followed by the auction at 8:00 pm. Tickets are $35 per person and $60 per couple. If you would like to be listed in the program book, as a friend, the donation is $75. A Friend will receive two tickets to the festival. All proceeds will benefit the Greater New Bedford Unit of the American Cancer Society. For more information, call the Society at 996-6262.

Book Review

First Nights
• Susan Fromberg Schaeffer, Alfred A. Knopf, $25

First Nights is an ambitious story about Stories — those we invent and those we weave from our lives. It is an epic tale of old Hollywood and the life and loves of a screen legend; the story of a strong-spirited woman from a mythically beautiful island who moves to New York and joins its working class; and a book about the friendship between the two.

The preface, by a fictional character named Anders Esterson, sets the stage. A reclusive 80-year-old actress named Anna Asta (based on Greta Garbo; even the plots of Anna's films are sometimes culled from Garbo scripts); and Ivy Cook, Asta's 60-year-old housekeeper — receive notebooks from Anders, one of Anna's old directors and dearest friends, and instructions to transcribe their life stories into the books. The novel that follows is comprised of these journals, as pieced together by Anders.

The narratives start out joltingly, as each woman struggles to get over the self-consciousness inherent in such a process. Ultimately, each succeeds in transforming her life from a series of disconnected images and memories into a coherent narrative and, consequently, imposing some meaning and order on her life.

The stories weave together. First there is a chapter in Anna's voice, then a selection from Ivy's tale. While initially this emphasizes the differences between the two women, ultimately it reveals that they have much in common, that even their fables and myths — different in form as they are — are about the same things.

The novel is beautifully rendered and mythic in scope. In a sense this keeps the reader distant from the story. It also makes the characters quirky and interesting as they are — mere shadows, flickering images on a screen.

Aquaculture Conference Set for August 30 - September 1

The demand for fisheries products is so great that the annual U.S. trade deficit for this commodity has been $4.5 to $7 billion since 1987 — the largest for any agricultural commodity and second only to that of petroleum among natural products. Yet the aquaculture industry will have to produce seven times more seafood than it is today to supply global demand in 2025.

What public perceptions and regulations about marine aquaculture are shaping and/or inhibiting its economic growth? Where do the gaps in scientific knowledge lie? And what can be done to educate the

public, the scientific community and government regulators about marine aquaculture issues?

These topics and more will be the subject of "Aquaculture and the Marine Environment: The Shaping of Public Policy," a three-day conference which will be held August 30 - September 1 in the Lillie Auditorium at the Marine Biological Laboratory in Woods Hole, MA. Sessions on August 30 will begin at 1:00 pm; on August 31 at 8:30 am, 1:00 pm and 7:30 pm; and on September 1 at 8:30 am. All interested persons are invited to attend. A nominal fee of $15 daily covers lunch and registration; for overnight accommodations, telephone Lou Ann King, MBL manager of conferences and housing, at (508) 548-3705.

The conference is organized and sponsored by the UMass Dartmouth Policy Center for Marine Biosciences and Technology, in conjunction with Congressman Gerry Studds, the Massachusetts Biotechnology Center of Excellence Corporation, the Massachusetts Foundation for Excellence in Marine and Polymer Sciences, Marine Biological Laboratory, National Association of Marine Laboratories, National Marine Fisheries Service — Northeast Fisheries Science Center, Office of Aquaculture, USDA, and the Sea Grant Association.

The UMass Dartmouth Center for Marine Biosciences Policy and Technology was formed in 1992 to explore the issues and problems surrounding the burgeoning field of marine biosciences policy research and development, and to break down the barriers inhibiting its application to the economic and social benefit of the United States. Its Executive Director is Dr. Harlyn O. Halvorson. For further information about the center, please call 999-8195.

Free Hearing Screenings

Free Hearing Screenings sponsored by the Community Nurses of Fairhaven and Dartmouth will be conducted daily from 9:00 am to 4:00 pm at In-House Hearing Services. Audiologic Evaluations will be conducted by Donald A. Paul, M.S., CCC-A every Tuesday and Thursday from 11:00 am - 3:00 pm. In-House Hearing Services is now located at 191 Main Street, across from the Wareham Medical Center. Walk-in service or please call 291-1333 for an appointment.
